# LOOKING FOR ADVENTURE?

Travel along the roads of Houma and you'll discover why it's the Heart of America's Wetland. Expansive wetlands, immense swamps, sprawling salt marshes and countless bayous make up this region. Then there are its inhabitants...fearsome alligators, curious nutria and hundreds of different species of colorful birds. When you ride in Houma, you'll ride through the very heart of nature – a heart made up of an ever changing vista of breathtaking beauty and raw, unchecked power.

Ride in, around and alongside the back roads of Houma and you'll uncover the new and unexpected. Here you'll find abundant stretches of winding, curving and most importantly, empty wetland roads. Roads like Route 57 with no buildings, marked traffic signals or even cars anywhere in sight – it's just you, the machine and the road. \*

So, join us in Houma, a short 57 miles Southwest of New Orleans, for the ride of a lifetime. Take Highway 90 West to exit 202 which will bring you right into historic downtown Houma, Louisiana.

\*Road conditions may vary. Observe all posted speed limits. Roads are not banked. Wear your helmet whenever riding and carry your insurance card at all times (Louisiana requires minimum medical coverage of \$10,000.00.) Drive at your own risk. Houma CVB and Bayou Bikers Motorcycle Club accepts no responsibility in the event of accident and/or injury. Laws are subject to change.

## ANOTHER DAY IN PARADISE.

Being located in the midst of a lush, tropical zone, Houma is well-known for its extremely mild winters. In fact, the average temperature during January and February can range from a low of 50 degrees to a high of 70. October through November and March through April are the best times to plan your motorcycle adventure in Houma. During these months, rain can be almost non-existent, temperatures are in the mid 70's and the local flora is in full bloom and the wildlife is on the move.

## THE BAYOU BIKERS MOTORCYCLE CLUB.
