

Tour of Florida

The Emerald Track

Below is an outline of the Tour of Florida route. It is not necessary to get your documentation receipts at the exact stops listed. Just be sure to get a start receipt somewhere in Port Charlotte, receipts in the Naples area, Ft. Lauderdale area, Jacksonville area, before or after the I-10/I-75 interchange and an end receipt in Port Charlotte. The stops listed here were chosen just as examples for the route. Remember that you may also ride the route in the opposite direction if you wish.

1. Starting in **Port Charlotte**, find a gas station, fill up, and get your receipt to document the start of your trip. Head **South on I-75**.
2. Take **Exit 101 (CR-951 S)** toward **Marco Island/SR-84 W/Naples**. (Somewhere in the neighborhood of 70 miles, depending on where in Port Charlotte you started.) Please note that Exit 101 is the last exit before the Toll Road begins and you last chance to get gas and your documentation receipt for this leg of the trip.
3. Merge onto **Collier Blvd**.
4. Take the 1st right onto **Davis Blvd/SR-84**. There should be a BP gas station on the corner of Collier & Davis. Don't forget your receipt!
5. Merge back onto **I-75 South** toward **Miami**.
6. Take **Exit 19 (I-595 E)** toward **Ft Lauderdale**.
7. Take **Exit 9 (SR-84E)** toward **Marina Mile Blvd**. (Approximately 97 miles) You will find several gas stations about 3 miles down. ****Receipt!**
8. While traveling down SR-84, you will probably have passed under I-95, so you will need to get yourself heading in the West on SR-84. A U-turn at 14th Ave should do the trick.
9. Take **SR-84 W** back toward I-95 and merge onto **I-95 North**.
10. Take **Exit 347 (Emerson Street)**. Turn right onto Emerson St. (Approximately 324 miles) There should be a few gas stations to choose from. ****Receipt!**
11. Head back in the direction you came from to merge back onto **I-95 North**.
12. Take **Exit 351B (I-10 W)** toward **Lake City**.
13. Take **Exit 301 (US-41N)** toward **White Springs**. (Approximately 65 miles)
14. Turn left onto **US-41 N**.
15. Make a U-turn at **NW Falling Creek Rd**. A gas station should be on the left. ****Receipt!**
16. Head Southeast on **US-41 N** to merge back onto **I-10 W** toward **Live Oak**.
17. Take **Exit 296A (I-75 S)** toward **Tampa**.
18. Take **I-75 S** all the way back to **Port Charlotte**, find your gas station and get a receipt to document the end of your trip. (About 272 miles, could vary depending on where in Port Charlotte you end your trip.)
