For Immediate Release: March 24, 2007

Kansas City/Blue Springs, Missouri – Blue Springs Harley-Davidson, based in Blue Springs, MO and one of the most successful HD dealerships in the Heartland is gaining national exposure with their sponsorship of top-performing Harley-Davidson, Screamin' Eagle racer, Jared Mees with the Wrecking Crew Racing Team.

Mees is a proven frontrunner in motorcycle racing, with a 2006 victory in Saluda, VA, second place in overall final point standings for the year, 2 career Grand National wins, and multiple podium finishes. He'll be defending the '06 win and aggressively pursuing the 2007 season championship on his Blue Springs Harley-Davidson. Mees will go head-to-head with competitors in nationally sanctioned AMA (American Motorcycle Association) Flat-Track racing events nationwide, striving to take the title and reign as the AMA Ford Quality Checked Flat Track Champion.

Jared Mees, along with his '06 Wrecking Crew teammates, are a force to be reckoned with on the national circuit, collectively earning 5 wins and 17 podium appearances in 2006. They are on a mission to outperform those numbers in '07. "Our communication as a team was great last year." Mees states. "I trust the guy turning the wrenches on the bike so much. We have great chemistry on the team and I'm really excited about what we can do with the knowledge we gained last year. Hopefully we can build on what we learned last season and make an even bigger push for the championship title."

Harley-Davidson Racing Manager, Anne Paluso is also anticipating great things from Mees and the Wrecking Crew this year. "The Wrecking Crew was originally founded on a working relationship between dealers and racers," Paluso says. "We're lucky enough to have 3 successful Harley-Davidson dealers as our partners this season ... Blue Springs came on board with Jared ... we have a strong group of riders and sponsors and they are all working hard to make sure 2007 is just as, if not more, successful than 2006."

David Worth with Blue Springs Harley-Davidson is thrilled at this opportunity to partner with Jared Mees and support AMA Flat Track racing. "We believe Jared represents what we are all about at Blue Springs Harley-Davidson, an exciting ride on an all-American classic."
