

Dirty Dozen Ride 2006

Friday August 11th – Sunday August 13th.

Based out of the KOA campground in Buena Vista, Colorado this years Dirty Dozen should be one to remember. Plan to arrive Friday eve to camp, ride all day Saturday (on both paved and unpaved routes) and ride in the morning on Sunday before the trip back home. Maps and routes will be provided along with the degree of difficulty for different rides in the area. No guided trips are planned so expect to meet up with good friends and new acquaintances to ride with during the day. A barbeque dinner will be provided for all on Saturday night, we can swap embellished stories of the day's rides. A support truck / trailer will be available to haul your camping gear if you would like to ride to and from the campsite unladen, see the schedule below for times and locations.

Pre-registration for the event is required, \$15.00 per person but does not include the camping cost. Camping will be paid to the KOA campground: \$7.00 for the group campsite, \$19 – \$23 for private campsites and \$40 - \$51 for a camp cottage that sleeps 4. The group site is already reserved, but private sites and cottage reservations should be made in advanced if preferred. Register in person at Northern Colorado BMW / Ducati Motorcycles or call 970-679-1600, ask for Tyler. Email any questions to tyler@bmwducati.com
