Dear Mr. Callahan,

We would like to personally thank you for your prompt, professional, and courteous service on the purchases of all of our Companies equipment. Your experience and knowledge once again met the needs of our company.

The service department continuously provides efficient and satisfactory service from initial purchase throughout ownership which makes it a pleasure to be a Bobcat Owner.

We are expanding our company as well as our equipment needs and look forward to conducting business with you in the future.

Sincerely,

Wayne W. Antieri  
President
