

## **FAQ**

### **Q. Can I buy a Harley-Davidson Motorcycle in the US?**

A. Yes you can but it has to be a used motorcycle. What constitutes used. It's a previously titled and registered motorcycle. Simple as that

### **Q. Do I pay New York State sales tax?**

A. No. You only pay the taxes that you would pay in Canada. If we have a \$10,000 bike for sale you pay us \$10,000 in US funds and the appropriate taxes and registration fees.

### **Q. How difficult is it to get a bike across the border?**

A. Not difficult at all. We send an e-mail to customs at the Lewiston border. This is the only place to take your motorcycle over the border. You need to trailer it and they will set up an appointment once the e mail is received.

### **Q. What Paper work do I need?**

A. When you purchase the bike we will give you all the paperwork and also a printout from Harley showing that all open recalls have been performed.

### **Q. Why would I buy a bike in the United States?**

A. SAVINGS!!!! With the exchange rate and the higher price of motorcycles to begin with ours are just cheaper. We only sell bikes that have been completely gone through. Any necessary work is completed. We do the equivalent of a 10,000 mile service check. If it needs brakes, tires etc. It gets them. Every bike has a new battery, fresh oil and filter. Bottom line is that you can have confidence in your purchase from Buffalo Harley. Look on our used bike page. Many our low mileage one or two years old. Perfect.

### **Q. Where do the bikes come from?**

A. 3 places, we get trade ins from our customers, buy them outright, and also attend auctions throughout the United States. Looking for a special year, color, and model? Give us a call we'll find it
