MENU OF SERVICES

Read through this easy to follow contract and you will see we offer all your needs at competitive pricing. All you need to do is check off the appropriate services you need and give us an approximate date you want the boat serviced. This is especially important if you are storing with us so we are able to place your boat so it is accessible for the time you want your boat in spring. This also helps us plan for any services you need us to do during winter.

We have a friendly, knowledgeable and dedicated staff and we have been in business since 1986. Our technicians are Mercury Certified specialists including Verado, Smart Craft & Optimax Outboards along with Mercruiser engines.

Thinking of selling your boat? We have an experienced and active Brokerage Sales department. Store your boat with us and list it for sale. Your boat will be listed on line and in all our publication advertising.

We also have an active parts department. If we don't stock it, we can get it, usually within a day. You can even order parts and accessories on line!

If you store your boat at home, we also offer boat complementary hauling service when we service your boat.

Our Insurance Division offers top of the line protection that won't leave you short at the dock. Ask for a free quote when you stop in or you can request an immediate quote on line!

In signing of this contract I am stating that I have read the above terms & conditions and authorize Campisano Marine Center to do all work specified within.

TERMS AND CONDITIONS

1. In signing of this contract Campisano Marine Center is hereby given permission to perform agreed upon & requested work and to operate this vessel as needed to complete jobs listed.
2. In signing of this contract the owner of vessel agrees to pay in full for services contracted at time of signing of this contract. Customers having boats serviced and delivered to their own location are required to be paid in full before boat is delivered. Customer agrees that insurance is current on boat and proof must be supplied with contract by way of a Certificate of Insurance via insurance agent. In the event there is no coverage in force, I agree that Campisano Marine Insurance Agency has the right to issue a policy on behalf of my boat.
3. In signing this contract the customer states that he understands that Campisano Marine Center is not responsible for any lost or stolen items, damage to boat or accessories of boat and hold harmless Campisano Marine Center and its employees.
4. Boat will be picked up in spring on scheduled date or billed \$5.00 per foot per day storage charge unless other arrangements have been made.
