What is Crow River H.O.G.®?

Crow River H.O.G.® is an organization of fellow riders like you that like to "Ride and Have Fun." Through rides and other events throughout the year, we share the experiences only found on the open road and in the distinctive sound of our Harley-Davidson® motorcycles. Through these experiences, we form life-long friendships and have a great time doing it!

What do we do?

Crow River H.O.G.® offers an extensive ride schedule throughout the riding season to fit any time constraints you may have. We have rides most weekends in the spring, summer and fall and several overnight rides to places such as the Motorcycle Museum in Anamosa, IA. We also have dinner rides during the week and monthly Birthday rides to celebrate birthdays with others in the group.

Monthly membership meetings are held where we share current plans for the club, obtain your feedback for ideas and share dinner together.

In addition, we partner with Crow River Harley-Davidson and other sponsors in charitable events such as the Flood Run, Make a Wish, Breeze for Needs and many others. You also receive special dealer discounts available only to Crow River H.O.G.® members.
