Greetings everyone, I want to share this information from the H.O.G.® Chapter Officer News. It has been great to finally get out and do some riding with everyone, but now Sturgis is right around the corner and there are some great events sponsored by H.O.G.® at the rally. Here are a couple of them. Enjoy the rest of your summer, and ride safely.

H.O.G. to Rock with Lynyrd Skynyrd in Sturgis

They're one of the most legendary rock bands in history. On Wednesday, August 10, none other than Lynyrd Skynyrd will rock the historic Buffalo Chip Campground during the Sturgis Motorcycle Rally. And H.O.G. members have a special opportunity to purchase advance discount tickets and attend an exclusive pre-concert buffet. VIP parking is also included with your ticket purchase – available only by logging on to members.hog.com.

And that's not the only reason for H.O.G. members to make a special effort to get to Sturgis this year.

Join fellow H.O.G. members on Sunday evening, August 7, for an exclusive 2012 New Model Launch Party. Featuring Harley-Davidson staff, other special guests, hors d'oeuvres, and beverages, the Launch Party offers H.O.G. members and their guests an up-close look at all that's new for the 2012 model year.

"Launch Party guests will have a great opportunity to pick the brains of the some of the key people involved in developing the 2012 lineup of new motorcycles, including engineers, Parts & Accessories staff, and product planning employees," says Alan Fankhauser, Events Manager for Harley Owners Group. "And I'll bet it will also be a great to talk to a few people who are excited about the concert on Wednesday!"

Both these events are open exclusively to H.O.G. members and their guests. To purchase tickets, log on to members.hog.com. And don't wait – only a limited supply is available for each event.

Welcome New Members who attended the meeting!

The kids loved sitting on the bikes and honking the horns. Then they voted for the loudest muffler and the burliest biker.
