SLEEPS UP TO 10 PEOPLE

THE EASIEST-TOWING, BEST VALUE IN TRAVEL TRAILERS—OUR ORIGINAL LIGHTWEIGHT

⤴ ABOVE: The barreled interior ceiling adds a lot of room—you won't find this on a competitor at our price point. And notice the plush leather sofa, glazed cabinet doors, decorative slide out rails, and more to add value to this unit that sleeps nine!

⤵ BELOW: Model 280QBS shown here features our Super-Booth 48" dinette. The private bedroom is unique too because most have curtains to section it off. Cruiser RV uses hard doors for complete privacy.

The Shadow Cruiser line is all about family fun! Many of its popular floor plan models feature unique bunkhouse designs for the convenience of sleeping up to 10, yes 10! You'll love how easy these lightweight travel trailers are to tow as well. Because of their aluminum-framed construction, laminated walls and aerodynamic front caps, they are towable by a half-ton truck vs. the heavy-duty vehicles many other RVs require. And did we mention they are affordable even to the budget-minded consumer?
