Dear Margie and Ladies of Harley,

On behalf of Crisis Nursery I would like to thank you for your generous gift of \$40.00 in Target gift cards, \$35.00 in Harkins gift cards, and \$60.00 in McDonalds gift cards along with \$240.00 in cash and 36 Easter Baskets to support the services we offer to at risk children and families in our community. Your commitment to helping Crisis Nursery provide services to over 120 plus children and families each and everyday, during these difficult economic times for charities, is sincerely appreciated.

Each year Crisis Nursery works diligently to advance its mission of "Breaking the cycle of Abuse and Neglect". Over the past three decades, Crisis Nursery has provided a safe haven to over 14,000 children in our community threatened with abuse, neglect and homelessness through our Children's Shelter and FACES programs. These critical services have ensured that children can find safety and hope, even in the most traumatic of times.

We recently launched a Foster Care program focusing on recruiting, training and supervising foster or resource families for children temporarily unable to safely live with their own. Additionally, we have added a Visitation and Transportation service designed to help children in foster care maintain regular contact with siblings, birth parents and other relatives.

Crisis Nursery's ability to meet these ever increasing needs is only made possible by the continued support of concerned and caring donors within our community who want to help ensure children and their families' needs are met. Again, on behalf of the hundreds of children and their families who pass through our doors each year we would like to thank you for helping make a difference in their lives during these difficult times.

Please visit us at our website www.crisisnurseryphx.org to keep updated on our changes or call (602) 273-7363 X 105 for information about upcoming tours.

Best Wishes,

Natalie Miles-Thompson
Director of Resource Development
