

# MOBILITY. CAPACITY. DEPENDABILITY.

The Kyrish BrushMaster™ combines true, time-tested and proven military suspension and systems with the latest in fire apparatus technology.

## THE BRUSHMASTER VEHICLE FEATURES THE FOLLOWING:

- Incorporation of all NFPA 1906 requirements
- Planned changes in the upcoming revision to offer emergency responders a true, single operator "pump and roll" wild land truck
- Option to retrofit an existing military or commercial chassis with the Brushmaster package
- Ability for us to provide a military or International commercial 4x4 or 6x6 chassis to emergency service departments

**ONE FIRE FIGHTER. ONE KYRISH BRUSHMASTER. ONE TOUGH COMBINATION.**

Contact **Kyrish Government Group** to learn more about the Kyrish Brushmaster Type III heavy wild land apparatus, and start putting it to work for you.
