FROM THE DIRECTOR

I find it hard to believe that May is already upon us! It seems like we just had our "Kick Start" party in January, and now months have passed!

A meeting of the chapter officers was held earlier this week and we discussed a wide range of ideas for upcoming events and rides that we hope will provide all members with opportunities to participate and enjoy the camaraderie! It is a fact that summer is a busy time for all. It is our hope that by scheduling multiple events or rides, we will maximize the opportunity for members to be able to participate in as many events as their schedule permits. If you have any ideas or suggestions in terms of possible rides or events, please feel free to let us know!

I want to thank Mike for standing in for me at the last meeting! It is my understanding that we had a good number of folks at the meeting and also that there was a good turn out for the lunch run! I am sorry that we missed it! I look forward seeing you all at our meeting on the 12th of May!

L.O.H. Brownwood Trip

Carolyn, Sherry, Lynn and Tiffany roaring to get started

Tiffany Grant, Myself (Christi Franklin) and fellow LOH Lynn Randolph rode with two guests, Carolyn Johnson and Lynn's friend and co-realtor Sherry, to Tiffany's lake house in Brownwood on Saturday April 26th for an overnight trip. We went down some beautiful back roads and had an enjoyable ride down. The hamburgers cooked on the grill that night never tasted so good. I laughed so hard during dominos that my cheeks hurt. The next morning we awakened to heavy rain and about 42 degrees wind chill as we braved the weather and wind gusts to Coleman. We decided to enjoy the Mexican food restaurant there as long as we could and/or until it quit raining. We met a charming young minister who saved the day by going to The Dollar Store to get some dry socks for Carolyn and Sherry. He had just returned from a year long mission in Argentina and had fascinating stories including a day when his team was abducted. We were fortunate to get dry weather and rode to Sterling City in much more pleasant circumstances and warmed up with some hot chocolate and cappuccinos. Despite the unpleasant start of Sunday's ride, this was one of the most enjoyable LOH trip's I have ridden on.

HOG NEWS

We had a great turn out for our April 12 Hog Meet 'N Eat. About 25 members rode through brisk air to Stanton to eat at Luchi's barbecue and then on to the Old Sorehead Trade Days. Fortunately the parking was not crowded due to the festivities and the food was wonderful as usual.

LADIES OF HARLEY

A Bit From Becky

4/27/08

Another month has disappeared. I have not heard, but I am sure the Brownwood trip was a fun one. Tiffany was kind to offer her lake house for the LOH ladies to enjoy. Thank you Tiffany.

Our May LOH meeting will fall on Memorial Day weekend, therefore, the meeting will be moved to the next weekend. That will be Saturday, May 31. Also, May will be the first month to move our meeting time to 10:00 AM. Please make note of this on your calendars. Starting our meetings at ten will give more time to ride. If you can help out and take make the lunch ride as road captain, please call me ASAP. I will not be able to ride for a while. As of now, there are no plans to ride unless someone can take the wheel, or the bars.

Have you found a white jacket? I received mine from J Jill and am happy with it. If you have your jacket and are ready for a large LOH patch, please let me know. I plan on ordering a couple of patches this Tuesday.

Hope to see you at New Braunfels and at our May meeting.

*Ride safe and be happy,
