**H.O.G. NEWS**

We had a great time shooting at Jake's Clays in September and several couples enjoyed the LOH Sponsored overnight trip to Marfa in October.

We will be riding to Swensens in Midland after our November Meeting and will break until March with the exception of our Kick Start Party in January. Jack Jordan's Barbecue will be catering again for us and it is sure to be a good time. Be sure you RSVP so we have enough food for everybody.

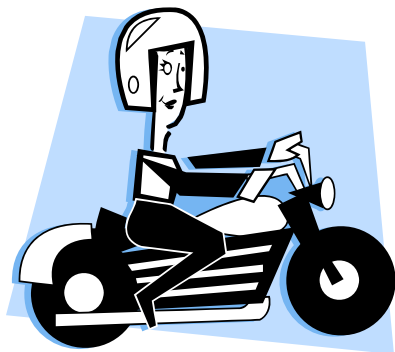

October 18 – Lynda Lawrence completes 60,000 miles  
For a new HOG mileage patch while riding to Big Bend

See a Legacy Harley-Davidson staff member for enrollment into the  
H.O.G. Mileage Program so you can start earning your patches!

## A Bit From Becky

### Ladies of Harley

Well Ladies, another LOH year has come and gone. Our ride to **Marfa** was our last meeting of 2008. If you are like me, this time of year gets really busy with all the holidays on the way.

We had a group of 9 riders last weekend. What a time we had. I can not say it was uneventful, after all, Trixee was with us. (Gotta love her). The ride and the weather could not have been better. **The Hotel Paisano** in Marfa is such a warm and quaint place to stay. It was full the night we were there and one floor was full of twenty year olds. Enough said! Gary Vest handled that situation the next morning. No one slept in.

The food was excellent. I will have to say, my pistachio crusted chicken fry with jalapeno gravy was worth the 289 miles to get there. YUMMY! Later a few of us played dominoes. The way the ivories are played make the funniest thingies. Ask Joan Johnson and Don Lawrence. They were high and low players. What a game. It is a miracle the game made it to Marfa. Joan taught us all a very good lesson. "Always check your roll bag to make sure it securely fastened."

I believe we have such a good group of riders, I just wished you all could have made the trip. There is something about the LOH Fall Rides. There are some photos I hope you enjoy.

Your Friend,

Becky Sue Wilson
