

Fly & Ride with Mackie Harley-Davidson[®]

(Please reply only if you are interested)

We are considering arranging a “Fly & Ride” to the following locations:

April 24 to May 1, 2010 (to coincide with the Laughlin River Ride)

Oshawa to Las Vegas & return \$1,000.00

or

Oshawa to Phoenix AZ & return \$1,000.00

Late July/Early August, 2010 (we would work around the Sturgis timelines)

Oshawa to Denver & return \$800.00

Mid September, 2010

Oshawa to Halifax & return \$700.00

Trip Details:

All bikes would need to be dropped off at Mackie Harley-Davidson (MHD) one week prior to the trip. Your bike would arrive back at MHD approximately 7 days after the return loading. All transportation would be done by Mackie Moving Systems and paid in full by Credit Card, Cash or Certified Cheque prior to loading from Oshawa.

It would be your responsibility to book & pay for your own expenses such as airfare, meals, taxis, hotels, etc. We would provide the hotel name and contact numbers of where we would recommend for the trip however it is your decision on the quality/expense of the hotel you'd like to stay at. We usually try for Best Western hotels for under \$100.00 per night but this is not always possible

All makes and models of bikes are welcome. We would plan a route of around 250 miles per day however you could do what you want, when you want and with whom you want as long as you meet the loading/unloading timelines for the truck driver.

As mentioned, please reply **ONLY IF YOU ARE INTERESTED** in doing Fly & Rides with Mackie Harley-Davidson to: dean.mackie@mackieharleydavidson.com
Or mark.bowen@mackieharleydavidson.com

Please give us your first, second and third choices for location. After we see how much interest there is, we will plan accordingly as necessary and will then advise you.

Thanks in advance,
Mackie Harley-Davidson
