

Certified Pre-Owned

Which motorcycles are eligible to be Old Glory Certified Pre-Owned?

Not every motorcycle is eligible to be Old Glory Certified Pre-Owned. All of our Certified Pre-Owned Motorcycles are ten model years or newer and have fewer than 75,000 miles.

130-Point Inspection

Once selected, all motorcycles undergo a rigorous 130-Point Inspection process. Conducted by Harley-Davidson Factory Trained Technicians, each inspection is required to adhere to strict standards to ensure that every engine, transmission, frame and feature function properly and are in excellent condition. These motorcycles met our tough standards when H-D first built them and now they have to meet those standards once again or they are not considered for Certification.

All Old Glory Certified Pre-Owned Motorcycles Feature:

45 Day / 1,000 Mile Limited Warranty

When you purchase a Harley-Davidson Certified Pre-Owned Vehicle, it comes with a non-transferable 45 Day / 1,000 Mile Limited Warranty with no deductible. It's a whole new level of value, confidence and protection - designed to give you peace of mind.

Free Pick-Up Service

If you have an issue with your Old Glory Certified Pre-Owned Motorcycle that qualifies for coverage under the Limited Warranty, we will pick-up your motorcycle for free within 50 miles of our dealership. Owners who live outside of 50 miles will receive a 50-mile credit towards our regular Pick-up Service if they choose it.

Owner's Manual and Two Keys

A motorcycle does not seem complete without an Owner's Manual and Two Keys. To make sure your ownership experience is everything it should be, we make sure you have these items along with a complete explanation of the benefits of your Owner's Manual.

Like-New Vehicle Financing for Qualified Buyers Using HDFs

Our Old Glory Certified Pre-Owned Motorcycles qualify for flexible finance options provided by H-D Financial Services with terms similar to those for new H-D motorcycles.

Eligibility for H-D Extended Service Plans

All of our Old Glory Certified Pre-Owned Motorcycles are eligible for Extended Service Plans from H-D Financial Services. ESPs offer coverage on 1,100 parts and include towing, lodging and rental reimbursement. Optional coverage includes wheel and tire replacement and terms of coverage last as long as five years.
