Please help us by observing the following:

- Have your boat ready the week it is scheduled to be launched. If for some reason you will not be ready, please notify us.
- We must have a key or combo for the boat to check for leaks at launch. If not, locks will be cut at owner's expense. Make sure we have the most recent key.
- Boats that have leaks not controlled by seacocks, will be put back into the cradle. There will be a fee to re-launch the boat.
- You must have fenders and dock lines on the boat the day of your launch.
- All balances not related to spring launch must be paid before the boat can go in the water.
- All balances must be paid in full before the boat leaves RCR docks.

I hereby authorize the above work and launch to be done along with necessary materials and hereby grant you and/or your employee's permission to operate the above boat/motor herein described for the purpose of testing and/or inspection. An express mechanics lien is hereby acknowledged on above boat/motor to secure the amount of repairs thereto. All work is due and payable upon completion. All bills over 5 days past due will be subject to a 2% per month late fee.

Please charge the credit card listed below:
