2010 is RCR's 38th Anniversary!

Let RCR Find Your Next Boat, or Sell Your Existing One!

What's New? by CEO Don Finkle: All of a sudden it has gotten very busy around here! The dam has broken, the floodgates have opened, and the action has heated up. We normally see this level of sales activity closer to the advent of spring, but it has started early this year, and that suits us just fine. We aren't the only ones who have experienced this, our friends in other places tell the same story. Boat sales have picked up nicely.

How is your pre-launch check list coming along? The weeks will fly by and before you know it you will be thinking of getting the boat ready to splash. Believe it or not, most yards have more work than they can handle in the spring, so if you don't want to be disappointed you should put in your work orders now.

Check out the announcements of upcoming events, price changes for some of our used boats, gear for sale, and other goodies in this issue.

The Central NY Boat Show in Syracuse will once again be held at the NY State Fairgrounds off I-690. Dates are Feb 10-14. RCR will be there in our customary spot in the Center of Progress Building. We have tickets which we will be pleased to offer to those who contact us in advance. Please come visit!

Help Needed for some of our Readers:

"Don, I have an unloaded power boat trailer that needs to be brought up from St. Petersburg, FL to the Buffalo area in the spring. I'm seeking a "snow bird" returning to WNY that would be interested in helping out. Please contact Jeff at 585-880-8012."

"Hi Don, I am a regular boater who is taking a summer vacation to Wilson, NY from the 23rd of June to the 3rd of July. I would like to rent a boat for our vacation to cruise the lake, fish with my son, and make a run over to Toronto for a day/evening. Could you post me request in your news letter as Rick suggests below? I am happy to give more info about my boating experience, as well as provide any other info needed. My cell number below or email address jeff.albee@gmail.com is probably the best way to reach me."

Better deals! In preparation for our busiest selling season of the year (Spring), we have approached a number of our brokered boat owners about re-pricing their boats to make sure they are optimally positioned to sell. So check out the reduced prices and new listings below, clean fresh water boats are your best option when looking used.

RCR will help you find the right boat for you! Our brokers will serve as "Buyers Agents" if you find a boat

out of our market listed with someone else. We will protect your interests and represent YOU! It costs YOU nothing to use us...the seller pays our fee. We split the commission with the listing brokerage...just like in real estate. We do business in your community...our community...trust us to do the job for you. We've been doing it since 1972.

Recent Used Boat Updates & Additions: (Full list at end of newsletter)

Featured Used Boat: 29' Back Cove Hardtop Express 2005 "Kilbride", a gorgeous dark blue hull Down East style diesel-powered beauty that is solid as a rock. Crafted in the Maine tradition, where boats have to work for a living, this yacht is well-engineered and handles a seaway at speed when others have to slow down. I recall doing a sea trail aboard a Back Cove a few years back when there was a sizable chop running on Lake Ontario. There was a similar-sized vessel one of those more popular brands bouncing up and down while we just blasted past them with the Back Cove's modified deep-V hull and powerful diesel. When you pull into a harbor on a Back Cove everyone turns and watches, this is what pride of ownership is all about. "Kilbride" is a one-owner professionally-maintained yacht that has been kept here in Youngstown since new, low hours and in great shape. Owner's health dictates the need for a sale. Quality, style and performance at a huge savings over new. Inside our heated showroom in Youngstown, \$129,900.

42' Beneteau Swift Trawler 42 2007 "North Light" *NEW LISTING* This is no "crawler", it looks and performs much better than most other boats that call themselves trawlers. It has twin diesels for power and fuel economy, plus a bow thruster for close quarters handling ease. Custom Canvas package including Bimini, Custom interior Upholstery, Full Electronics Package including Radar, Autohelm and dual E Series displays, Genset, and much more, Better Than New! \$375,000 In Transit.

43' Bayliner 4387 1991 "Junkyard Dogs", Double Cabin Flybridge Cruiser, Twin 340HP Mercruisers, Heat & Air, Washer/Dryer, Electric Windlass

"Junkyard Dogs" has spent her cruising career in the fresh waters of the Lake Erie. This vessel is one of the cleanest, well maintained yachts I have ever listed. Whether cruising to the Erie Islands, North Channel, or entertaining at the dock, the Bayliner 4387 aft cabin is well suited to the needs of couples or family cruisers. Roomy, stable underway, this Bayliner has new canvas, Marine-Air air conditioning / heat and new upholstery in her spacious salon. A true live-aboard, she even features a Kariba washer/dryer.

New Boat News:

BENETEAU SWIFT TRAWLER 34 WINS MOTOR BOAT OF THE YEAR

The news was announced at a special awards ceremony on January 11th during the London Boat show. The Beneteau Swift Trawler 34 was elected BOAT OF THE YEAR 2010 in the category of Trawlers & Aft cabins. Key elements of this category include impressive accommodations and generous stowage, but the judges also look for the solid rough-weather sea-keeping ability and the sound engineering necessary to undertake long distance cruising with minimum worry. All of which have been realized through the combined design efforts of the Beneteau R&D team working in concert with architects Bernard/Nivlet.

The award was organized by Motor Boat and Yachting and Motor Boat Monthly.

This makes it a "Grand Slam" for the Beneteau Trawler Range, after the wins in 2004 by the Swift Trawler 42 and again last year for the Swift Trawler 52.

For more information about the Swift Trawler 34 please visit Beneteauusa.com. The first of Swift Trawler 34's to hit the American market will arrive in the US in this coming summer.

First Mate Safe Return Course: A boating safety course offered exclusively by the Sodus Bay Maritime Captains Association.

As a First Mate aboard your boat, just how familiar are you with its operation? What if the Skipper should become disabled? Would you know what to do? Would you know how to call for help? Would you be able to tell rescuers where you are? Would you be able to navigate to a safe port?

The First Mate Safe Return course is designed to teach fundamental skills that will enable a First Mate to do the right thing if the Skipper should become disabled for whatever reason. The course will be taught by Coast Guard Licensed Captains and will include a half-day classroom lecture and on-the-water coaching and demonstration on your own boat. The schedule for the half-day classroom lecture is:

Date: Saturday, March 20, 2010
 Time: 8:00 AM to 12:00 N
 Place: Genesee Yacht Club, 10 Stutson Street, Rochester, NY 14612
 Fee: \$75

The on-the-water coaching and demonstration may be arranged at the mutual convenience of the First Mate and a Captain Instructor from Sodus Bay Maritime Captains Association or, at the option of the student, may be conducted by the student's Skipper.

If interested, you may register by contacting Captain Jack Morris (585) 703-4439, jmorris599@aol.com or Captain Bob Paiement (585) 377-6518, rpaiement@rochester.rr.com
