2010 is RCR's 38th Anniversary!

Let RCR Find Your Next Boat, or Sell Your Existing One!

**RCR
YACHTS**

What's New? by CEO Don Finkle: We hope you all have a nice weekend, either on your boat or if it is not yet launched it looks like you'll have good weather over the next few days to get it ready.

Because our staff has been working hard for months straight without a break, most of RCR will be closed this weekend for the holiday. Our cell phones are listed below in case of an emergency.

There have been a number of changes to our boats for sale list, both new additions and price changes. Please check out the list below.

I have to admit that electronics have never been that interesting to me and I really should know more about them than I do...but I am learning. Just about all the boats we sell now come with a full suite of electronics, and with the color graphics you can get thoroughly hooked. The latest multi-function displays at the helm provide enough information and in such an array of different formats that it will keep one busy for hours playing with it. No more boredom on those long trips. If you have a pilot and a GPS/Plotter you can set your course and the boat will take itself there. The new digital radar is cool and we are doing a lot of them too. The cats' meow is the whole package, and the prices are much more reasonable now too: color plotter/GPS, digital radar, and autopilot. Heck, back a few years airliners didn't even have this level of sophistication. And it is not hard to use.

Autopilots, once considered a luxury, are almost universal now. In my mind a pilot is a safety feature, an extra hand when you need one, and a great convenience. Just make sure you keep a lookout and don't become complacent as the boat maintains its course without your hand on the wheel...or your eyes on the view ahead. And always be aware that once the pilot is set the boat will run on forever by itself (or until it runs out of fuel or hits something), so don't fall overboard. A PFD is a really good idea, as is a harness if you are alone.

Yesterday I was aboard a new boat with a customer, looking over the status of the commissioning, which will be completed next week. He is 73 years old and he said "my wife thought I was nuts buying a new boat at my age". My response was "If not now, when?" He has a large family of kids and grandkids and they all love to go out with him, and the boat is a wonderful vehicle to use for shared family time. We can't turn the clock back, but we do have a choice about how we spend our time going forward. Age is not the limiting factor, health is, and when we have the health we should make use of it.

We mentioned before that we are doing a lot more co-brokerage deals these days. A co-brokerage sale is one where one broker represents the buyer and another the seller. This usually happens when a customer comes in looking for a specific boat and the broker finds one for him/her that is listed elsewhere, usually out of town. There is a lot that goes into a successful transaction, and this is especially true for buying a boat from someone you don't know and is not located nearby. Our job is handling all the details, and there are many of them. We will say it once more for emphasis, the price you pay is the same, it does not cost any more to have us represent you. The seller pays the same commission and the buyer pays the same price, the brokers just share the commission. We are also happy to work with other brokers when we are the listing agent for your boat, whatever it takes to make a sale for you. So let RCR go to work for you!

RCR's Sodus Point Office is now Open for the Season: Gerry Palmer is back on duty at RCR's office at Katlynn Marine in Sodus Point, NY. We are located on Route 14, very easy to find. Hours are 10-5 Thursday, Friday and Saturday, with other hours by appointment. You can reach Gerry on his cell phone at 941-400-5241 or at the office at 315-483-2526.

Hard Dinghy & Inflatable Available, Contact tracy@rcryachts.com for details

SeaWeCan: "As you may know I'm in the midst of circumnavigating the Great Lakes for an awareness campaign for disabled sailors. "SeaWeCan" is a self initiated pledge campaign for boaters to donate xxxx dollars per mile a boat/crew/individual sails each year or in our case season, to a disabled sailing association of their choice. Going to www.seascan.com and clicking on "Water Bits" will tell you more about the program. Mike Ritenour"

RCR Yachts of Erie will offer to set up a **FREE VESSEL SAFETY CHECK** for all boats we sell and any one interested in having a safety check done. (Did I Say FREE?) Contact me: tracy@rcryachts.com

Better deals! In preparation for our busiest selling season of the year (Spring), we have approached a number of our brokered boat owners about re-pricing their boats to make sure they are optimally positioned to sell. So check out the reduced prices and new listings below, clean fresh water boats are your best option when looking used.

Buffalo Maritime Center: If you have ever thought of building your own small wooden boat, these folks can help you. They hold classes to teach the necessary skills as well as helping you build your own boat in their shop with their tools. For more information contact Richard Butz at: 716-878-6017 or butzra@buffalostate.edu

Please encourage your friends to sign up for our free newsletter here:
<http://www.rcryachts.com/custompage.asp?pg=weeklynews>

RCR is now on Facebook! Anyone interested in becoming a "friend" of RCR Yachts, they only need to type in RCR Yachts in the "find friend" link. Thanks to Rick Lenard for keeping our page current.

Recent Used Boat Updates & Additions: (These are just the updates. Full list at end of newsletter)

RCR will help you find the right boat for you! Our brokers will serve as "Buyers Agents" if you find a boat out of our market listed with someone else. We will protect your interests and represent YOU! It costs YOU nothing to use us...the seller pays our fee. We split the commission with the listing brokerage...just like in real estate.

Looking to sell your present boat? RCR sells an average of 150 boats each year, and we advertise all over, giving our sellers maximum exposure for their boats. For example, we advertise in three Canadian magazines to reach out to that market. We utilize five sales locations, numerous websites and print media, e-mail newsletters, boat shows, open houses. Our sales staff members are full-time trained professionals, easy to work with and anxious to sell your boat.

RCR will help you find the right boat for you! Our brokers will serve as "Buyers Agents" if you find a boat out of our market listed with someone else. We will protect your interests and represent YOU! It costs YOU nothing to use us...the seller pays our fee. We split the commission with the listing brokerage...just like in real estate. We do business in your community...our community...trust us to do the job for you. We've been doing it since 1972.

Let RCR Find Your Next Boat, or Sell Your Existing One!

News & Announcements:

Brownback Amendment doesn't make Senate bill, from Boating Industry:

"The financial-overhaul bill passed by the Senate on Thursday does not include an amendment to exempt auto and boat dealers from a new consumer protection regulator, according to published reports.

The proposed amendment, sponsored by Sen. Sam Brownback (R-Kansas), would have exempted auto, boat, RV and motorcycle dealers from the Bureau of Consumer Financial Protection bill that passed the Senate. However, the amendment never came up for a vote and was not included in the final bill.

The Marine Retailers Association of America and the National Marine Manufacturers Association both strongly supported the marine exemption and rallied support for it among their members.

Congress must now reconcile the Senate bill with a companion House package adopted in December before the legislation can go to the President for his signature." (The idea that small businesses like boat dealers should be lumped in with the huge financial services companies and banks for this extra layer of bureaucratic oversight is nuts. Believe me, there is plenty of work involved in handling a boat loan today and everyone is very careful already. Don)

Dates & Event Calendar:

June 12-13, Safe Powerboat Handling (SPH) - Drivers Education for Boaters™: This sixteen hour, on-the-water course is for anyone who wants to learn how to safely operate a powerboat or improve their on-the-water boat handling skills. No experience necessary. The topics are covered using a variety of techniques in the classroom and dockside, emphasizing on-the-water practical application of all skills. Topics covered include:

On-the-Water Sessions

- Engine & electrical systems
- Starting procedures
- Docking
- Leave & return to a slip
- Close-quarters maneuvers
- High-speed maneuvers
- Anchoring
- Steering a range
- Emergency Procedures & Rendering Assistance
- Person-in-Water rescue

Classroom Sessions

- Safety, prep & weather
- Maneuvering concepts
- Registration & capacities
- Equipment requirements
- Prep & fueling procedures
- Navigation rules of the road
- Aids to navigation
- Environment regulations

The National Association of State Boating Law Administrators (NASBLA) has approved the course which also meets the boating safety certificate requirements in New York, New Jersey and Connecticut (see Boating Safety Certification above).

Instructor: USCG Licensed Captain with US POWERBOATING Instructor Certification Rob Crafa

Age Group: 10 - adult

Group Size: 6 - 12

Time: 9 a.m. - 6 p.m.

Fee: \$300/per person, includes all books, safety equipment and on-the-water instruction; State Boating Safety Certifications are extra (\$10 for New York State)

Summer 2010 Seminar Series: Lockport Sail & Power Squadron, in conjunction with the Tuscarora Yacht Club, plans to present a series of 4 (2-hour) seminars this summer:

All will be held at the Tuscarora Yacht clubhouse in Wilson, NY. Each seminar will be held on a Wednesday evening, 1900-2100 (7-9 pm) with registration starting at 1830 (6:30 pm). Each seminar will cost \$35 per set of materials (families may choose to attend, purchasing only 1 [or more, if desired] set of materials). Please pre-register at least 25 days in advance (so we can order enough material & reserve space) either by phone (716-773-0953 or 716-745-1015) or e-mail to pgr4lsps@roadrunner.com or dadelizi@verizon.net. Please let us know both the number attending & the number of sets of material desired. Space is limited to approximately 35 attendees.

2 June - Anchoring - covers selection & use of anchors.

16 June - Partner in Command - provides an introduction to boating for crew members who need basic information and who may or may not have taken a boating course. It is designed to provide essential information one may require to assist a skipper in the safe operation of a recreational boat.
