**RCR
YACHTS**

What's New? by Don Finkle: This is a busy month here at RCR, ramping up for the annual craziness that starts in April. March is also a busy month for activities in the area, make sure to check out the calendar below.

We have included information this week on a couple of sailing schools in Buffalo, the Schooner "Spirit of Buffalo", and the Toronto Brigantines. There are opportunities here for learn to sail, improving your skills, youth programs, etc.

I hope many of you can make the Sailor's Ski Day at Holimont next Friday, March 12. Holimont is a beautiful ski area in Ellicottville, NY. If you have not skied there before you should do so next week. RCR is one of the sponsors for this fun event, which includes an apres' ski party too. Check out the notice below.

We will say it again, sales have really turned the corner since the start of the new year. Our industry suffered through two of the worst years in memory but now the tune has changed. We survived 2008 & 2009 by selling mostly small used boats, waiting for the new boat market to come back, as well as more expensive brokerage boats. In the last couple of months we have seen a significant improvement in terms of both customer interest and deals being written. We are selling new boats again and the brokerage market as a whole has picked up across the price spectrum. You will see what we mean when you look at the updates in the Boats for sale section below.

Rick Lenard told me yesterday that he had heard from both of the customers he sold boats to in Florida this winter. Each is happily sailing their new babies and were pleased with what Rick and RCR did for them. One is a J/100, the other a Beneteau 31. When these folks from salt water came to see how nice our fresh water boats were they promptly snapped them up, and are very glad they did. It is bittersweet for us, nice to make the sale but tough to see the boat leave the area.

Job Opportunities: The Spirit of Buffalo is a Topsail Schooner sailing out of Buffalo and they are looking for crew members for the 2010 season. Be sure to read all about these openings, as well as the many different programs run by the group, in the article below. The Spirit is a great addition to the Buffalo harbor.

Toronto Brigantines has two tall ships "Playfair" and "Pathfinder": "We are excited this year, 2010, to be participating in the Great Lakes Tall Ship Challenge and our two tall ships, the Playfair and the Pathfinder will be participating in harbor events in Toronto, Chicago and Bay City this summer. We look forward to sharing the Great Lake waters this summer with our Powerboating friends!

We were wondering if you would be interested in promoting our summer youth sail training program to your readership base, they might have teenagers interested in signing up for our summer program - which we are in the middle of recruiting for right now. While most of our participants are from Canada, we also have a lots from the US and several that come from International locations.

Toronto Brigantine Inc (TBI) owns the two tall Ships that you have mentioned in your previous newsletters. We are a non-profit registered charity organization that runs sail training for teenagers age 13 to 19. "Building Character through Adventure" is our tag. On the one or two week summer programs, teenagers experience the sailing life, making strong friendships and building lifeskills in overcoming challenges and perseverance and really learning what it means to be part of a team. Here is a link to the TBI website - <http://www.torontobrigantine.org/>

As a non-profit organization, it is important for us to fill our ships to capacity and we appreciate community support in promoting our program and we welcome any support from the community." Feel free to call Karen, Sue or Marguerite at the Toronto Brigantine Office Work: 416 596 7117 or office@torontobrigantine.org

There is a Sailing School operating out of our marina in Buffalo, Seven Seas Sailing School. They are tenants of ours. Here are some of their programs:

Welcome to the Seven Seas Sailing School, now enjoying their 40th year of serving Western New York. This is your opportunity to begin a lifelong celebration of our Buffalo waterfront by learning to sail. With new classes starting each week, we welcome newcomers to join in our many exciting educational and recreational sailing activities. Open seven days and seven nights a week. This year, sail to the beat of a different summer! Call today: 716-880-5154 email: wnysail@yahoo.com

Women's Tuesday Night Sail in Buffalo: To join us on these wonderful Tuesday evenings, call 716-885-6936 or email at wnysail@yahoo.com
Diane McFarland, PhD, Seven Seas Director of Women's Sailing, started the Women's Tuesday Night Sail at Seven Seas over 20 years ago, and it's going stronger and more exciting than ever! Newcomers are enthusiastically welcome, no experience necessary.

Welcome to Seven Seas' Friday Night "Learn to Race" Program--starting every Friday! also Friday Night "Try Sailing" Sunset Sail and Party! Every Friday throughout the summer, the Team of Skippers at Seven Seas greet their incoming crew (that's you!) at six pm at Seven Seas. Just bring sneakers with non-black bottoms and appropriate weather wear. We supply life jackets, captains and loads of fun! The cost is \$25 each or \$40 per couple. You can also buy a transferable multi-time six-pack for \$99 (good for one to six persons, up to six times). Come one, come all-- call Bill at 716-885-6936 to book your sail night!

Saturday Morning - Friends & Family Sail: Every Saturday morning, we gather at Sevens Seas for our Friends and Family Sail (which is open to Friends and Family!). Everyone is welcome, no experience necessary. It's a great venue for introducing children, nieces and nephews, workmates, neighbors and friends to the art of sailing. The cost is \$20 per adult and only \$15 for youth under age 18. If desired, bring a

bag or picnic lunch and stay afterward to enjoy a game of volleyball, croquet, or horseshoes among the crew.

Wednesday Night - Sunset Picnic Sail: Here's an idea! Grab your honey, (and if you like, a couple of friends), and let one of our skippers take you on a sunset picnic sail along Buffalo's skyline. You provide the picnic, (or order up one of our gourmet baskets of delights), share a vintage, a sunset, and a sail. What a way to while away a Wednesday evening! Prices vary per boat size and picnic order. We also cater wonderful sail picnics for families from 2-to-200-- imagine the fun! Seven Seas, fun for individuals, couples, families, and everyone!!! To book a charter or an event call 716-885-6936 or email at wnysail@yahoo.com

Buffalo Sailing Adventures Reports a Fantastic First Year in Buffalo!

Schooner Spirit of Buffalo arrived in town May 10, 2009 to a warm welcome and much anticipation about our first season of operation in Buffalo. We are happy to report that 2009 was an extreme success, with the vessel sailing regularly and providing the public with incredible sailing experiences on Lake Erie through our public cruises, charters, education programs and kids' pirate adventure sails.

Serving thousands of passengers and hundreds of youth, the Spirit of Buffalo could be seen sailing seven days a week, rain or shine, and persevered through one of the coldest summers on record to maintain a busy operating schedule. Pirate Adventure Sails were a hit with kids and parents alike, as we transported little ones to a fantastic pirate world through sailing, music, costume and storytelling.

Education programs with our partner, Buffalo Urban Outdoor Education, gave youth - many of whom had never been on the water before - the opportunity to learn about aquatic science and environmental issues in a unique and dynamic environment on the water.

Families, company groups, friends and individuals joined us on Charters and Public Cruises and enjoyed the serenity of sailing peacefully on a traditional sailing vessel along our historic waterfront, gaining views of our city many had never seen or experienced. We could not be happier with the results of Year One and we are very excited as we gear up to spring's arrival and the start of what is sure to be a busy and successful Year Two.

We are currently booking charters, public sails and education programs for 2010 so call today! For passenger sails please call 796-7210 and visit www.spiritofbuffalo.com . For education programs please call 796-8393 and visit www.buoe.org .

We are looking for great people to join us for our 2010 sailing season and will be hiring part-time and full-time crew! Deckhands will be responsible for the following:

- Assisting passengers in safe boarding and giving direction when needed.
- Assisting on deck with departure and docking procedures.
- Assisting/leading raising and striking of sail.
- Assisting with serving of food and beverages.
- Performing excellent customer service at all times and maintaining a clean and neat appearance.
- Teaching hands-on environmental education program to youth ages 8 - 18.
- Learning emergency procedures, performing drills and ensuring safety of passengers during emergencies.
- Preparing vessel for trips and cleaning up after trips, including cleaning, storing, storage of sail, etc.

Please see the following requirements:

- Must have a high school diploma and be at least 18 years of age.
- Must be physically able to lift 50 lbs.
- Must be willing to spend time outdoors in extremes of weather (heat, sun, rain, wind).
- Customer service experience is a plus.
- Sailing experience is a plus.
- Education/teaching experience is a plus.
- Must be able to pass a pre-employment drug test and be part of a random drug testing program. No exceptions.

Customer Service is a top priority and this is an ideal position for anyone who likes to spend time outdoors in a unique setting! Opportunities for advancement abound; all crew will receive training in sailing and safety operations including steering and sail handling and all crew will be eligible to receive certified Sea Time Letters at the completion of their time with the company.

"Hi Don, I am a regular boater who is taking a summer vacation to Wilson, NY from the 23rd of June to the 3rd of July. I would like to rent a boat for our vacation to cruise the lake, fish with my son, and make a run over to Toronto for a day/evening. Could you post me request in your news letter as Rick suggests below? I am happy to give more info about my boating experience, as well as provide any other info needed. My cell number below or email address jeff.albee@gmail.com is probably the best way to reach me. Thanks"

For Sale:

1) Chutescoop, used very little, 30' long, 9" diameter - excellent condition, \$125
(For your info the following info is from the Chutescoop site : Chutescoops are sized according to sail luff measurements (use the "I" dimension of the boat if the sail luff is not known). Chutescoop sleeves are supposed to be shorter than the sail luff. On cruising spinnakers, use a Chutescoop that stops just short of the leech clew (unless the measurement between luff length and leech length is excessively long). On poled spinnakers allow 3 to 4 feet of sail below the sleeve to permit the pole to be trimmed.)
