RCR
YACHTS

What's New? by Don Finkle: Boats are being launched at our yards in Buffalo and Youngstown, and new boats are being assembled for delivery to their excited owners. This is the time of year when we really earn out money, so much to do! If you have not made your plans yet for spring work or set your launch date, now is the time.

The remodeled bathrooms at our Buffalo marina have been really well received, as we had hoped and expected. Kudos to our staff who did the work.

Skip Shumway is throwing his annual spring weenie roast this Sunday, and RCR's man in Rochester, Corbo Corbishley, invites you to stop by RCR's office while you're there and see him too.

YachtWorld.com is the best-known on-line multiple listing service for used boats, although there are a number of other services that we use here at RCR as well. No one service reaches all boats, all brokers or all customers. In any case, YachtWorld just released this report: "As the first quarter of 2010 ended, yacht brokerages in the United States closed nearly 30 percent more boat sales than in the same period in 2009 and at a total valuation 70 percent higher." We are pleased to say that RCR did substantially better than those figures for the same period, and our sales activity level continues to be well ahead of 2008 and 2009.

It is that time of year again when I give me sermon on "do it now". Time waits for no man, nor woman, and the older we get the more time seems to fly by. Before you know it you'll be another year older and what will you have to show for it? I have worked very hard this off season, and one reward I am looking forward to is my summer sailing campaign. Next fall I want to be able to look back on the happy times on the water with my wife and friends during the summer of 2010. We hope you will be able to say the same thing, and have similar memories.

At least two federal income tax deductions of interest to boat owners

remain in place for the 2009 tax year: mortgage interest deductions and state sales tax deductions. If you bought a boat last year, state sales tax or state income tax may be deducted. However, you must choose one; you can't deduct both. -- Complete report: (from BoatUS via Scuttlebutt)

Beneteau Invest In America Sale: Beneteau USA has announced a sale running from April 15 through May 15. Open the link below and click on the page for details. If you are considering a new boat you won't want to miss this offer:

Hunter's "Clear the Decks" spring promotion: Hunter Marine has their own promotion for spring orders, contact us for details.

Hunter Marine has been chosen by Seoul Marina Co. Ltd. in South Korea, to provide 14 ocean-cruising boats for Seoul Marina's new yacht dealership and sailing school. "This is the second large dealer transaction within the last 60 days in the Pacific Rim Region, a region of the world we have targeted for a key component of our long-range growth plan," said John Peterson, Hunter vice president of sales and marketing.

New Hunter 39 Continues to receive rave reviews: The yachting press from various parts of the world have sailed the new Hunter 39 and given it a strong positive recommendation. The latest came from the UK's "Sailing Today".

Way Cool New Fireboat: Here is a link to the newest fireboat for New York City, and also a new police boat for the Big Apple.

<http://www.nytimes.com/2010/04/04/nyregion/04boats.html?scp=1&sq=police%20boat&st=cse>

Green Ferryboat: Leave it to the Californians to plan a new wind-powered ferryboat for San Francisco Bay. The idea is to have small green diesel engines augmented by large wing sails on a catamaran hull. Fuel savings of 40%.

Harken Winch Tip: Harken is a top name in sailboat hardware, and they have a new line of winches out that offer some innovative improvements. The new Beneteaus we are taking delivery of now have these winches. However, we have found out that they will not accept a Lewmar handle, even though the handles are supposed to be universal.

April 10, RCYC is holding a safety at sea seminar, sanctioned by US Sailing. Attendance qualifies participants for Newport Bermuda and other offshore races. That said, the material is great for both racers and cruisers. The event takes place on April 10 in Toronto. I wonder if you could make a mention of it in your newsletter? We already have some folks coming up from the Buffalo area. Thanks to Val Matison.
