

# SHELTERED COVE MARINA

## Slip Customer Referral Program

**What?** - Sheltered Cove Marina believes in the phrase "the more the merrier" so we have developed a program that encourages friends to dock together. Any new customer to the marina that is referred by you and pays for a full season of dockage will qualify you for the referral fee.

**How?** - Simply refer a friend to dock with us, and we will provide a \$200 one time credit to you once the new customer signs up and pays in full for a seasonal slip rental. This credit can be used for any purchases with Sheltered Cove Marina- Boats, Skis, fuel, repairs, accessories, slip fees, ect...

**Who?**- This offer is valid to all existing seasonal slip customers.
