SEMINAR 1

EXPAND — YOUR — KNOWLEDGE

Join **St. Paul Harley-Davidson®** and **Wild Prairie Harley-Davidson®** for our **SIX PACK OF SEMINARS**. Each seminar is designed to enhance your knowledge and get you ready for spring riding. These seminars will be held simultaneously at noon at each dealership on Saturdays starting February 11 and running through April 7. They will run approximately 50 minutes. Each week's seminar will cover a different topic that you won't want to miss.

Six Pack of Seminars – #1 PICKING PERFORMANCE FOR YOUR RIDE

Saturday, February 11, 2012 • 12 p.m.

If you attended our Performance 101 Seminar, this one takes it to the next level. We will focus on the elements and components that have the greatest effect on engine performance and how to create a package that fits you. Topics like how to select a cam that hits in your desired sweet spot and the factors involved in selecting an exhaust system that meets your needs/wants will be covered in greater detail. It's all about the art of building a bike to match your style and budget, so come with questions.

Hosted by: **St. Paul Harley-Davidson® & Wild Prairie Harley-Davidson®** Service Departments
