

Loss/Damage waiver:

This optional coverage is \$25 per day (plus tax) and ties in with the \$2,000 required damage deposit. In the event that the motorcycle is damaged, destroyed or stolen, if you've chosen to purchase the Loss/Damage waiver, then you would only be liable for the first \$2,000 of any repair or replacement of the motorcycle. If you decide NOT to purchase the Loss/Damage waiver, you'd be 100% liable for any repair or replacement of the motorcycle (and the bike remains property of the dealership). ** This coverage is NOT insurance; this coverage only covers damage/replacement of the MOTORCYCLE, it does not cover third party issues or personal accident coverage**
