# SUPPLIES

Since our founding in 1932, Walsh has been your source for a full line of municipal supplies. Walsh carries a complete offering of Corrugated Plastic Pipe, PA Approved Highway and Custom Signs, Highway Safety Products, and Hydraulic Hoses and Fluids. Over the last 75 years, it has been our pleasure to take care of all your supply needs.

## PIPE- PA APPROVED PLASTIC AND METAL PIPE

**Plastic pipe.** Walsh Equipment meets your need for PA DOT approved HDPE corrugated plastic pipe and fittings. Manufactured by Baughman Tile Company, we stock 4" through 48" pipe, including high visibility 4" yellow pipe for safety caps on sports complex chain link fence. Baughman Tile Company, Inc., is a leading regional manufacturer of corrugated polyethylene (HDPE) pipe and fittings. Baughman's products serve multiple applications in the construction (storm sewer), agricultural, highway (culvert/underdrain), residential, on-site septic, and fence protection markets.

Their commitment to quality manufacturing and strong business relationships have created a versatile organization ready to take on the challenges of the future.

1. Baughman Plastic Pipe; 2. Baughman Dual Wall Pipe

## SIGNS/POSTS/SAFETY - PA APPROVED HIGHWAY AND CUSTOM SIGNS

Our in house computerized sign shop allows us to respond quickly to your sign needs. All signs meet the newest PA DOT requirements. We stock the most common regulatory and warning signs, and your emergency needs can be met while you wait. Specialty signs such as lettering for your municipal vehicles and equipment, 9-1-1 house numbers, directional signs, or parking lot signs are designed for you personally.

1. Walsh Custom Sign Shop; 2. Rollup Signs-1; 3. Safety Supplies; 4. Hydraulic Hoses; 5. Hydraulic Fluid
