

A SLIMMED DOWN TRUCK WITH OWNERSHIP COSTS TO MATCH

You need a lift truck for moderate-duty applications, but you want it to be efficient, you want it to be a great value and you don't want additional features you don't need. We can handle that. We've taken all the best things about the Yale Veracitor trucks and simplified them to create the Yale GLC050LX and GLP050LX.

GLC050 & GLP050 Standard Specifications

12% Less Fuel Consumption than Competitors' Average

Mazda Engine (GLP optional Diesel Available)

Electronic Powershift

5,000lb Capacity

24" Load Center

3-Stage Mast

Free Lift with LBR

Side Shift

**LEASE
TODAY
\$257.46**

THIS JUST MIGHT BE THE MOST RELIABLE EMPLOYEE YOU'VE EVER HAD

Chances are, you're just using your lift truck for a few hours a day. Why pay for more truck than you need? The Yale LX truck is designed to be a great value, getting the job done without breaking the bank.

A LIFT TRUCK THAT WORKS SMARTER AND HARDER
